

A community member had an idea to rejuvenate the city's dilapidated recycling bins and came to the Eureka Art and Culture Commission to present it. The EACC eagerly agreed to facilitate this project seeing it as an opportunity for artists, students, and business owners to collaborate together. We hope you will be one of them.

As a sponsor, you have the opportunity to choose a design, select an artist or team, and even have your name on it.

A recycling bin can be turned into a work of art enhancing your location, the city while encouraging recycling for \$125.00, which will become an artist or team honorarium. The city is preparing the bins for painting. You may choose an artist you know personally or from our roster of artists.

Your generous support will be acknowledged:

- At the completion of the project
- In the newspaper
- On the EACC website
- The cans will become part of the public art list

We believe this will add to the developing momentum to beautify Eureka, discourage graffiti and encourage recycling. Thank you for your donation!

For further information, call The Ink People: (707) 442-8413 or 445-0565 and someone will get back to you.
